NOTES:

ANNUAL FEES:

- 1) The Connection Fee is not subject to changes in the permitted use of Data and does not apply when:
 - a) the Licensee has access to the Data only through the Distributor,
 - b) the Licensee has already paid a Connection Fee to the given Data Provider indicated in point E of the Licensee's Profile (Warsaw Stock Exchange, TGE, GPW Benchmark) for access to any other Data of this Provider,
 - c) the Licensee pays a connection fee determined by the Data Provider directly to the Data Provider,
 - d) within the scope of the Stock Exchange Information Products - the Licensee is a Member of the Stock Exchange admitted to operate on the Stock Exchange and receives such Information Products directly from the Stock Exchange for use only in the Automated Trading Applications, which do not include displaying the Data.
- 2) See Appendix 1 for Information Product Description.
- 3) Distribution Licence Fees as stated in Appendix 4 apply to Distribution of Information by the Licensee's Group. An additional Distribution Licence Fee as specified in note 4 below is payable by the Licensee for Distribution by each Service Facilitator.
- 4) For each Information Product, the additional Distribution Licence Fee payable by the Licensee per Service Facilitator is 35% of the Distribution License Fee stated in Appendix 4.
- 5) When all Information Products B-F are ordered the Distribution Licence Fee is discounted by 18%.
- 6) This Information Product is only available directly from the Stock Exchange. See Appendix 1 for Information Product description. Further information on this Information Product is available from the Stock Exchange on request.
- 7) Annual Licence Fees for use of Information in Automated Trading Applications apply per Licensee's Group, regardless of the number of Automated Trading Applications. The Fee covers use of Information in Automated Trading Applications within the Licensee's Group, solely for trading purposes and/or to provide access to Information via the Licensee's Automated Trading Applications to Subscribers solely for trading purposes, subject to the terms of this Agreement and to payment by the Licensee of the applicable monthly Fee per Subscriber.

Annual Licence Fee for use of Information in Automated Trading Applications and in Other Non-display Use Applications is waived where the Licensee:

1. Meets both of the following conditions:

- a) is an Exchange member admitted to operation on the Stock Exchange for trade in all financial instruments within the meaning of regulations applicable on the markets organized by the WSE; and
- b) is a Distributor of Real-Time Information of Information Product A (all GPW asset classes) without using Information in Automated Trading Applications as declared in the Licensee's Profile (MDLA Appendix 2, part I, row F); and
- c) declares use of Product A (all GPW asset classes) in Automated Trading Applications and in Other Non-display Use Applications

or

2. Is a market maker within the meaning of regulations applicable on the markets organized by the WSE (the waiver is granted exclusively for trading in instruments, for which the Licensee is a market maker, and exclusively in relation to the Licensee's obligations as a market maker of such instruments).

8) Creation of Indices, use of Information to price Financial Products and Media Publication (as further described in Appendix 5) are subject to written permission of the Stock Exchange and require a separate agreement. Please contact the Stock Exchange for details.

9) Annual Licence Fees apply to the use of Real Time Information in Other Non-display Use Applications within the Licensee's Group, as further described in Appendix 5 to MDLA. No Fees apply for the use of Delayed Information in Other Non-Display Use Applications in accordance with Appendix 5.

9a) Annual fee for Distribution of Delayed Data is paid only by Delayed Data Distributors who have not made a statement in point T within Appendix 2 to MDLA.

9b) in case of Licensee's choice of a Mixed Fee in the Licensee's Profile, the fee shall consist of:

1) annual fee in the amount of:

- a. PLN 500 000 (Product A)
- b. PLN 122 000 (Product F)

in the case of an entity operating a trading platform, including but not limited to MTF, and annual fee in the amount of:

- a. PLN 300 000 (Product A)
- b. PLN 73 000 (Product F)

in the case of an entity using the Data to implement systematic internalization of transactions (operating SI) paid in accordance with section XI.1 of Appendix 5 to MDLA;

2) monthly fee in the amount of 0.00001 turnover value (double counted) of securities of issuers based in Poland, on the Licensee's trading platform or as part of systematic internalisation conducted by the Licensee, using the Data. This fee will be governed by the provisions of point X. 3.4 and 10, as well as XI.4 and 6 of Appendix 5 to MDLA, subject to an agreed and fully audited reporting mechanism.

9c) Market Makers on TBSP within the meaning of the TBSP market regulations are exempted from annual fees for the use of BondSpot Information in Automatic Trading Applications to conclude transactions on the TBSP market, or for systematic internalisation of transactions (operating SI).

MONTHLY FEES:

- 10) Monthly Real Time Information Fees shall be paid based on the reported Units of Count. The Licensee remains liable for any Fees applicable to unreported use of Information in accordance with Article 12.1 of this Agreement.
- 11) Applies to Exchange members admitted to operation on the Stock Exchange for trade in all financial instruments with the exception of Exchange members who pay fees for the Exchange member's Subscriber "1 bid/ask for 1 grosh". The list of Exchange members and the scope of their operation on the exchange is published by the Exchange at www.gpw.pl.
- 12) The Fee for access to Real Time Information for 1 bid/ask for Subscribers using other electronic services of the Licensee may be charged at a written request of the Licensee provided that:
 - a) it is paid for each Subscriber of the Licensee being a natural person, using the Information for Private Use and having signed an agreement with the Licensee regarding any other paid electronic services.
 - b) it is paid in full for the whole period of the agreement mentioned above, regardless of whether any individual Subscriber has accessed Real Time Information in any specific month and regardless of whether electronic services are suspended by the Licensee.

The Licensee's declaration should contain a statement that all above requirements mentioned above are fulfilled by the Licensee and a description of the electronic service.

- 13) Fee is payable by the Licensee for each Subscriber (accessing the Real Time Information via any Automated Trading Applications of the Licensee's Group) being a natural person using the Information for Private Use or being a legal person, regardless of the number of Automated Trading Applications or Information Products to which the Subscriber has access. The total of Annual Licence Fee and Subscribers Access Fees paid by the Licensee for Automated Trading Applications in any calendar year shall be capped at PLN 120 000 per Licensee's Group.
- 14) Participants of WIBID/WIBOR reference rates Fixing are exempted from monthly fees for GPWB Information to the extent of WIBID/WIBOR data.
- 15) The fee for "1 bid/ask for 1 grosh" may be charged to Subscribers of the Exchange member being natural persons, using Real Time Information for Private Use, at a written request of the Exchange Member provided that, in such a case:
- a) Monthly fees for Information Products owned by the Exchange shall be charged to the Exchange Member in the amount of standard monthly fees listed in II.I.I of the Fee Schedule regardless of the scope of operation of the Exchange Member on the exchange; and
 - b) The Exchange Member shall pay Fees for Market Information referred to in 4.1 of the Fee Schedule presented in Appendix 2 to the Agreement concerning access of the exchange member to the exchange's IT systems for each Device Receiving Information and each Data Recipient at all locations and in the amount defined for Exchange members admitted to operation on the exchange for trade in some financial instruments.
